

# GUTTER GUARDS

**Proven gutter guards that we have installed for decades in Eastern Iowa.**

## Elite Screen Features

- Small openings filter out leaves and maple seeds
- Heavy duty aluminum – no rust
- Black powder coated finish

## Oversized downspouts:

Gain extra assurance against risk of clogs by opting to upgrade to our 4" down spouts. These are twice the capacity of standard 3" downspouts allowing more debris to flush through. They are also thicker gauge aluminum making them sturdier against damage. We also repair and replace roofs, soffit and fascia - save with a bundle discount!

## Hydro Flo Features

- Fine openings filter out smaller debris like pine needles and shingle grit
- Heavy duty aluminum base with stainless steel mesh. Our strongest gutter guard for durability against heavy debris, ice and snow
- Lifetime warranty covered downspouts will not clog

## Installation Process

Your entire gutter system is thoroughly cleaned and free-flowing before any of our gutter protection products are installed.
