

## YOUR LOCAL SIDING EXPERTS

### Why choose Royal Siding by Tomlinson Cannon?

- **Curb Appeal:** Siding styles, textures, and accessories to keep your home beautiful and protected day after day.
- **Durability:** Resistant to color fade and rivals cedar in overall sustainability.
- **Low Maintenance:** Virtually impervious making it easy to take care of and nearly maintenance free.
- **Value:** Products that can fit your style and your budget!
- **Peace of Mind:** Incredible warranties behind a great product.

### Window and Door Wrap

Wrapping windows and doors during siding installation gives a clean, finished look while sealing out moisture and drafts. It protects against rot, improves energy efficiency, and ensures a polished, long-lasting exterior.

### Warranty

Our siding installation includes a limited lifetime material warranty and a 10-year workmanship warranty.

The material warranty ensures your siding won't rot, peel, flake, corrode, blister, split, or chip—and it's protected against excessive or uneven fading over time.

Bonus: The warranty is transferable once, adding value if you ever sell your home.

### Color options:

Vintage Cream	Sand	Brownstone
Harvard Slate	Linen	Flagstone

White	Heather	Wicker
Blue Gray	Sterling	Soft Maple

Cypress	Pebble Clay	Storm
Tree Moss	Rockslide	Toasted Almond

Natural Cedar	Shamrock	Midnight Surf
Cocoa	Wedgewood	Weathered Gray

## **Tomlinson Cannon Roofing and Siding Terms and Conditions**

1. Rotted or deteriorated roof sheathing (decking) or wall boards will be replaced at an additional time and material charge.
2. All work to be completed in a workmanlike manner according to standard practices. Any alteration or deviation from specifications listed above involving extra costs will be executed only upon agreement with customer and will become an extra charge over and above the estimate.
3. We will give our best effort to clean-up debris and fasteners. We cannot guarantee that all will be removed from the site.
4. We will do our best to protect the landscaping surrounding your home. However, some damage to flowerbeds and shrubs may be unavoidable.
